

Nieuwe uitwerking opdracht Citatiezoeken in Web of Science

Web of Science ziet er in het nieuwe interface een beetje anders uit dan in de uitgedeelde uitwerking.

De Cited Reference Search moet je via het blauwe pijltje uit een uitklapmenu kiezen

Om alle varianten van de tijdschrifttitel mee te nemen wordt hier alleen op de getrunceerde auteursnaam en het jaartal gezocht. Je krijgt dan de lijst mogelijke vormen van de referenties op de volgende pagina. De relevante zijn daar aangevinkt (ook die waar de titel van het artikel voor de titel van het tijdschrift is aangezien), waarna de echte zoekactie wordt gestart. Dat levert 75 resultaten op. Dat is minder dan in de oude uitwerking, komt omdat dit keer gezocht is in een beperktere set tijdschriften, de "corecollection".

De eerste resultaten zie je op de laatste pagina.

The screenshot displays the Web of Science search interface. At the top, there is a navigation bar with links for 'Web of Science™', 'InCites™', 'Journal Citation Reports®', 'Essential Science Indicators™', and 'EndNote®'. On the right, there are links for 'Sign In', 'Help', and 'English'. Below this is the 'WEB OF SCIENCE™' logo and the 'THOMSON REUTERS®' logo. A secondary navigation bar includes 'Search', 'Web of Science™ Core Collection', 'My Tools', 'Search History', and 'Marked List'. A welcome message reads: 'Welcome to the new Web of Science! View a brief tutorial.'

The main search area features a 'Cited Reference Search' dropdown menu, which is currently open, showing options: 'Basic Search', 'Author Search', 'Cited Reference Search', and 'Advanced Search'. Below the dropdown, there are three input fields: 'hammond t*', 'Example: J Comp* Appl* Math*', and '2005'. To the right of these fields are three dropdown menus: 'Cited Author', 'Cited Work', and 'Cited Year(s)', each with a 'Select from Index' link. A blue 'Search' button is located to the right of the 'Cited Year(s)' dropdown. Below the input fields, there are links for '+ Add Another Field' and 'Reset Form'.

Below the search area, there is a 'TIMESPAN' section with a radio button for 'All years' and a 'From' field set to '1945' and a 'to' field set to '2014'. A 'MORE SETTINGS' link is also present.

At the bottom of the page, there is a footer with four links: 'Customer Feedback & Support', 'Additional Resources', 'What's New in Web of Science?', and 'Customize your Experience'.

Cited Reference Search

View our Cited Reference Search tutorial.

Find the articles that cite a person's work.

Step 2: Select cited references and click "Finish Search."

Hint: Look for cited reference variants (sometimes different pages of the same article are cited or papers are cited incorrectly).
